

ULTRALUXE

clean ingredients with professional results

ULTRA Vitamin C

from UltraLuxe

Blended with clean ingredients formulated to deliver professional results, UltraLuxe's anti-aging Ultra **Vitamin C** Collection with Apple Stem Cell Technology, Alpha Hydroxy Acids, Lemon Essential Oil, and high concentration of Vitamins C & E delivers exceptional brightening and rejuvenation, leaving skin smoother, radiant, soft and fresh.

Benefits

- * Helps boost collagen, the building block of beautiful skin
- * Helps lighten dark spots and age spots
- * Delivers a high concentration of Vitamins C & E
- * Aids in reduction of discoloration and scarring
- * Infused with a blend of natural oils
- * Infused with Alpha Hydroxy Acids to reveal a brighter, younger-looking complexion
- * Rejuvenates, nourishes and cleanses
- * Moisturizes and hydrates skin
